**Initiatives and Collaborations at Government College for Girls, Manesar**

Government College for Girls, Manesar, is committed to providing holistic education and fostering overall student development. Here are some key initiatives and collaborations enhancing our students' educational experience and well-being:

**1. Collaboration with SAAC (Startup Accelerator Chamber of Commerce)**

- Objective: To promote innovation and entrepreneurship among students.
- Initiatives: Workshops on startup culture, mentorship programs with entrepreneurs, and opportunities for students to pitch their startup ideas.

**2. Partnership with Aarvy Healthcare**

- Objective: To ensure the health and well-being of students.
- Initiatives: Free health check-ups, awareness camps on various health issues, and regular health camps covering vision, dental, and general health.

**3. Association with 3R Zerowaste**

- Objective: To promote sustainability and waste management on campus.
- Initiatives: Recycling programs, workshops on waste segregation and recycling techniques, and installation of recycling bins across the campus.

**4. Collaboration with Government Polytechnic Education Society, Manesar**

- Objective: To enhance faculty expertise and provide skill-based training.
- Initiatives: Faculty exchange programs, skill-based training sessions, and joint projects and research initiatives.

### **5. Partnership with Smart Pro Foundation**

- Objective: To create awareness about disaster management and environmental conservation.
- Initiatives: Workshops and seminars on disaster management, environmental awareness programs, and mock drills for disaster response.

### **6. Collaboration with Anita Makeovers**

- Objective: To promote self-care and grooming among students.
- Initiatives: Free grooming and beautification classes, workshops on personal hygiene, skincare, and makeup techniques.

### **7. Partnership with Aruna Gupta (Artist)**

- Objective: To nurture creativity and artistic skills.
- Initiatives: Seminars and workshops on art and craft techniques, hands-on sessions with Aruna Gupta, and art exhibitions and competitions.

### **8. Collaboration with Yashlok Healthcare**

- Objective: To provide specialized healthcare services.
- Initiatives: Free genealogy and dental sessions for students.

### **9. Partnership with Clove Dental**

- Objective: To promote dental health awareness.
- Initiatives: Dental health awareness programs and free dental check-ups.

### **10. Collaboration with Yoga Instructor Vidhu Chaudhary**

- Objective: To promote physical and mental well-being.
- Initiatives: Yoga sessions focusing on physical fitness, mental relaxation, and stress management.

### **11. Collaboration with Boutique and Stitching Artist**

- **Objective:** To encourage skill development in fashion and design.
- **Initiatives:** Workshops on stitching and tailoring techniques, hands-on sessions for creating custom garments, and exhibitions showcasing student work.

These collaborations reflect our dedication to providing a comprehensive and enriching educational experience for our students at Government College for Girls, Manesar.
